Class of 2019 Senior Portrait Dates and Policies

Please read carefully!

Senior portraits (required for yearbook and school ID card) for the class of 2019 are scheduled for **July 23-25, 2018**. Pictures are by appointment only. Be sure to watch your mail for your special appointment date and time. Make-up pictures will be **in August 2018 after school on the 27th and 28th, by appointment.**

Believe it or not, plans for the 2019 Liberty Yearbook are already in the works! An important goal of our staff is to include senior portraits of all members of the Class of 2019.

In the near future, you will be receiving information from Victor O' Neill Studios, Liberty High School's Official photography company. The information in that packet will explain to you how to set up a sitting for a senior portrait.

There will be no sitting fee charged for just a yearbook portrait, and you are under no obligation to purchase senior portraits from this company. If you choose to have a full selection of photos (more than just the yearbook photo) taken, a sitting fee will be charged.

It is extremely important, however, that this company photographs all members of the Class of 2019 for the yearbook.

If your son or daughter is photographed by Victor O'Neill studios, he or she will automatically be pictured in the 2019 Talon.

If your child opts not to be photographed by Victor O'Neill studios, he or she will not be included in the senior portrait section of the 2019 yearbook and will not receive a school ID card.

The photograph taken by Victor O' Neill Studios reserves your child's spot in the senior section of the yearbook. This photograph will also be used to create your child's school ID card.

In the event that you do not care for the photograph taken by the school photographer, you may submit a replacement yearbook picture from a different photographer if:

- A. A different photographer photographs your child over the summer.
- B. The photo is of the same style as the Victor O' Neill Studios portraits (students must wear a black drape or a black tuxedo, backgrounds must be blue-grey, no props of any type are allowed).
- C. One color hard copy of the photograph (any size) is delivered to the yearbook office (room 264) by 2:35 on **Friday September 28, 2018**.

A fee of \$50 will be charged to seniors who submit yearbook portraits without first being photographed by the school photographer. This fee will also be charged if pictures are submitted after September 28 deadline.

Please note that the yearbook staff reserves the right to reject pictures taken by other photography companies if the overall look and quality of the portrait does not meet our standards, or if the portrait is not received by the designated deadline.

We strongly recommend that you allow Victor O' Neill Studios to take your child's yearbook portrait to ensure that he or she will be included in the senior section of the yearbook and will receive a school ID card.

I look forward to receiving photographs from 100% of the students in the Class of 2019!
