

What are Weekend Power Packs?

The Weekend Power Pack program is designed to help supplement a child’s basic need for food. The program provides weekend nutrition to students in need. The backpacks will consist of non-perishable, healthy, and nutritious kid friendly food items.

How It Works:

Once enrolled in the program, your child will be given a backpack of snacks and small meals to take home on weekends. Bags will be distributed discretely, at the end of the school day. The first power pack will be sent home the weekend of August 30th.

Weekend Power Pack Permission Form
