

Principal/Parent Forum Group

(Formerly PAC)

What is the Principal/Parent Forum? An informal meeting between parents and the principal to share information, discuss school issues, ask questions and offer suggestions – with the goal of working together to improve the school experience.

What do we do? We provide an informational email service to parents of FHS students. We pass along important information about events going on within the FHS community. We also meet every other month with the principal to ask questions and receive updates about school happenings. Our meetings are open to all FHS parents and an email reminder is sent out just before the meeting. There is no cost to join, and no obligation to participate. Sign-up, if you would like to be a part of our informational mailing list, by emailing us at **FHS.PAC@GMAIL.com** and ask us to add you to the list.

2016-2017 School Year Meetings

(Please note that due to unforeseen circumstance, meeting dates might be changed or cancelled)

All meetings are held in the FHS Library and begin at 6pm

October 12, December 14, February 8, and April 12

Again, these meetings are informal and give parents a chance to speak with the principal and other parents to provide a better understanding of what is going on at your child's school. Our goal is to provide information and help improve the high school experience for students and their parents.

Please come check out a meeting!
