

Fauquier County Public Schools
Partners in Education
Cooperative Agreement

In an effort to make a difference in the life of a child and to promote a mutual understanding of and cooperation between businesses and schools within the community,

_____ and _____

hereby enter into a cooperative partnership.

The intent of this partnership is to assist and support each other through the commitment of time, talents and resources.

As partners, we promise to strive collaboratively to achieve the goals set forth in this partnership.

We acknowledge this partnership as one dedicated to helping students meet the challenges of the 21st Century.

This agreement is effective this _____ day of _____ 20__ and shall endure until terminated by written notice from either party.
