Why enroll now?

Many schools have activities in April and May that help Kindergarteners get a smooth start in the Fall.
And it helps FCPS anticipate fall enrollment levels,
which assists in recruiting and retaining the best teachers.

How?

Go to www.fcps1.org & click on Enrollment button:

Confirm your child's school zone, **complete the online portion** of the registration, then
go to your school and present the required documents.

Please check with your school to see if your child must be present at registration.

Online registration may be completed at the schools, if necessary.
