

Dear Parents & Guardians:

The yearbook staff of Fauquier High School would like to provide you with an opportunity to show everyone just how proud you are of your senior. Please consider purchasing a senior advertisement to be displayed in the 61th volume of *The Eyrie*. Senior advertisements are a great way to celebrate a loved one's last year as a high school student, and their accomplishments up to this point. These advertisements are printed in **Full Color!**

We are currently in the process of designing and producing the 2024 edition of *The Eyrie*, and any support is appreciated. Simply provide us with pictures, a quote or message, and we will do the rest. We have senior advertisements available in the following sizes and at the following prices:

Quarter Page - \$150	Maximum Pictures	3
Half Page - \$200	Maximum Pictures	4
Full Page - \$250	Maximum Pictures	7

Deadlines are imperative when constructing a yearbook. Please help us meet them by submitting **Photos & Text by 03/01/2024** at the latest.

The county has adopted a new payment system, School Cash On-Line, which adds an additional 4% fee to all receiptable funds. If that wasn't enough, a \$1 surcharge is added additionally. For this reason, all payments for senior advertisements will be collected via yearbookforever.com where there is still a service fee, but it is less than the one imposed by School Cash On-Line.

Once on the site, select Create Personal Ad. Next, fill in the requested information then select Have the School Design My Ad. Choose the size of the advertisement you would like to purchase. A white screen will prompt you to provide a headline and message. Please type the name of your student as you want it spelled in the ad in the headline space. In the message space, type the message you would like to be included in the ad, or indicate that you will email your text at a later time. The next page offers you the option to submit digital images. You can also skip this step and email the images later.

If you have any questions whatsoever, please do not hesitate to contact me.

Senior Advertisement Additional Information

Photos

You can drop off physical photographs to be scanned and returned to you later, or you can send in digital copies electronically via email. We will return physical photos back to you as soon as possible, often the same day. If you wish to keep your advertisement a secret, please consider including a self-addressed stamped envelope with your submission or make arrangements with me to have them picked up in the main office.

Text

We encourage you to include statements that help to chronicle the student's life up to this point. Please know that lengthy messages result in the need for photo size to be decreased, or in extreme cases, the size of the advertisement may need to be upgraded. We aim to keep all text font and size uniform between all purchased advertisements in order to ensure readability and continuity. Feel free to include inspirational quotes, but please provide attribution for them if possible.

Layout

We have historically used the same style elements for senior advertisements over the years. I will always send a proof to you via email for your approval prior to printing. If you would like to design a senior advertisement yourself and submit it to us, you are more than welcome to do so, but know that your advertisement may vary in comparison to others. Advertisements designed out of school are limited to **Full Page Only!**

Secrecy

The staff and I will do our best to keep your senior advertisement a secret if you desire it to be. Know that this is difficult but not impossible due to the fact that students on the staff have access to the advertisements pages. I have never had an issue with this in the past, but know that the potential exists.
