The mission of Fauquier High School is to provide instruction which will enable students to live productively in society.

### FROM THE PRINCIPAL'S MAILBOX:

Fauquier High School Community:

Thank you for taking the time to learn more about our school. We want to communicate with every member of our school community as best we can. This newsletter is just one way that we try to do that. If you have a question or concern please feel free to contact us. We are here to help you. Please go to our web site, <http://www.fcps1.org/education/school/school.php?sectionid=12>, and follow us on twitter at [twitter.com/fauquierhs](https://twitter.com/fauquierhs) to gather more information about our school. More and more people are following us on twitter. Twitter is a great way for you to see what is going on at Fauquier High School on a daily basis.

It is hard to believe we have made it through winter with limited snow days so far and we are not far away from semester exams. Time does go by quickly and we must treasure it. With that being said I urge all of our students to take advantage of the many opportunities we have for extracurricular activities, whether they be clubs, the arts or sports. The time in high school is short, so take advantage of every minute. Students should have no regrets!

Students should also be using their time wisely during the school day and one of those areas is our Advisory time period. Advisory is a thirty minute block in the middle of our school day. This is a time where students can get extra help from a teacher, go to the library, work on homework or do anything else they might need to do to help them academically. If you have any questions about Advisory please ask your student or contact us at school. Advisory has been very positive for our school.

I would like to thank all who participated in the "Green Day" fundraiser that benefitted the Leigh family, a local family that is battling cancer with their two young sons. Seeing our school and the community at large come together to support those in need is phenomenal. Our Fauquier High School community has done this many times to help others this year and through the years; it never fails to inspire me. Great job Falcons!

Enjoy the rest of the winter and spring is coming!

Sincerely,

Tripp Burton

**Important Textbook Information:**

Your student has been issued one or more textbooks for the 2018 Spring term utilizing a computerized barcode system. Students have been encouraged to write their names in those books. Please ask your student to write their names in them as well. Students often pick up the wrong textbook in a classroom — not the one issued to them — use it all term and turn it in at the end of the term. The student who by default has the wrong book loses it and never turns the book in. The first student now owes for a lost textbook \$\$\$!

The textbooks issued are the responsibility of the individual student. Textbooks should not be left in classrooms. Teachers are not responsible for textbooks left on shelves in their classrooms. We still have many textbooks not returned for Term 1, please encourage your student to return the books that they are no longer using from Term 1

**SENIORS!!! SENIORS!!! SENIORS!!!**

**Graduation is approaching quickly. You will be given a check-out sheet in May. This sheet will send you to various offices to be cleared for participation in graduation day. All textbooks must be turned in before the paperwork is signed by Annex Staff. If a book is not returned, the student has to pay the replacement cost.**
