DANCE RULES AND EXPECTATIONS

We ask that parents and students read, review, and sign this form to acknowledge that you are aware of our rules and expectations listed below. We reserve the right to deny entrance to a school dance if the rules, guidelines, and expectations are not followed. Chaperones will be assigned to achieve a ratio of at least one chaperone for every thirty students. The approved song list will be available upon request.

Rules/Expectations of LHS dances for students and their guests:

- No inappropriate or lewd dancing to include: "freak" dancing, lap dancing, or simulated sex acts.
- Appropriate formal or semi-formal attire is required (no jeans). Formal attire is required at Prom.
- It is the responsibility of the LHS student to ensure that their guest understands and adheres to the dance rules and expectations.
- Guests not enrolled at LHS will be subjected to administrative approval. Students enrolled at other schools must be considered students in good standing at base schools. Middle school students are not permitted to attend Liberty High School dances. The LHS student that has submitted the guest for approval must accompany the guest. A student may only have one approved guest.
- Students shall not engage in conduct that is disruptive, dangerous, or illegal. Violations will result in the appropriate disciplinary and/or legal actions.
- Video surveillance may take place during school dances.
- Ticket money will not be refunded to anyone denied entry or asked to leave the dance.

I understand and agree to abide by the above rules and expectations. I understand that I am responsible for making certain that my guest (if not from the school) also abides by the rules. Guest permission slips must be submitted to the main office by the end of the school day on the Tuesday prior to the dance.
